

NCWORKS ON-THE-JOB TRAINING

On-the-Job Training (OJT) helps businesses offset training costs while filling skilled positions and creating new job opportunities.

Employers receive assistance with recruiting talent, while creating a viable pathway for unemployed workers.

Through the federally-funded OJT program, businesses are offered a 50% wage reimbursement incentive to help offset the cost of training new employees with limited skills.

Visit the OJT page of ecwdb.org through the QR code below:

Program Benefits
