**EASTERN CAROLINA LOCAL AREA ISSUANCE NO. 2021-11**

**SUBJECT:** 2022 Lower Living Standard Income Level (LLSIL) Chart

**PURPOSE:** To transmit the Program Year 2022 income chart identifying the higher of the “Federal Poverty Level Income Guidelines” and the “70% LLSIL Guidelines” for the year and rescind Eastern Carolina Local Area Issuance No. 2021-01 dated June 28, 2021.

**BACKGROUND:** The U.S. Department of Labor published the Lower Living Standard Income Level (LLSIL) in the Federal Register on April 6, 2022.

The LLSIL is used for several purposes under the federal Workforce Innovation and Opportunity Act (WIOA). Specifically, WIOA Section 3(36) defines the term “low-income individual” for eligibility purposes, and Sections 127(b)(2)(C) and 132(b)(1)(B)(v)(IV) define the terms “disadvantaged youth” and “disadvantaged adult” in terms of the poverty line or LLSIL for State Formula Allotments. The governor and state and local Workforce Development Boards use the LLSIL for determining eligibility for youth and adults for certain services.

USDOL Employment and Training Administration (ETA) encourages governors and state/local area WDBs to consult the WIOA Final Rule and ETA guidance for more specific guidance in applying LLSIL to program requirements. WIOA defines the term “low-income individual” as one who qualifies under various criteria, including an individual who is in a family with total family income that does not exceed the higher level of the poverty line or 70 percent of the LLSIL.

North Carolina and local Workforce Development Boards use the LLSIL for determining eligibility for Youth and Adult Programs for certain services. WIOA Section 3(36)(B) defines the LLSIL as “that income level (adjusted for regional, metropolitan, urban and rural differences and family size) determined annually by the U.S. Secretary of Labor based on the most recent lower living family budget issued by the Secretary.”

**ACTION:** All Workforce Innovation and Opportunity Act (WIOA) Title I service providers are to use the attached 2022 LLSIL Income Chart to determine “low-income” status of applicants for WIOA services as noted in WIOA Section 3(36)(B).

**EFFECTIVE DATE:** April 6, 2022 (Per USDOL)

**EXPIRATION DATE:** Indefinite

**DISTRIBUTION:** WIOA Title I Service Providers
