**Eastern Carolina Local Area Issuance No. 2023-03**

**SUBJECT:** Individual Training Accounts

**PURPOSE:** To transmit policy on Individual Training Accounts (ITA) and rescind Eastern Carolina Local Area Issuance No. 2022-04, Change 1 dated June 5, 2023.

**BACKGROUND:** WIOA title I adult, dislocated workers, and out-of-school youth ages 16-24 purchase training services from State eligible training providers they select in consultation with the career advisor, which includes discussion of program quality and performance information on the available eligible training providers that best meet the customer needs and interest.

**ACTION:** The Board approved WIOA service provider will be responsible for managing the Individual Training Account voucher system in the Career Center. As appropriate, the WIOA service provider will assist eligible individuals with the purchase of a training program that meets the individual's training needs as evidenced by supporting documentation in the participant's record. WIOA funded training activities may only be made available to adults, dislocated workers and out-of-school youth who have been determined to need training.

**EFFECTIVE DATE:** July 1, 2023

**EXPIRATION DATE:** Indefinite

**CONTACT:** Director

**DISTRIBUTION:** WIOA Adult, Dislocated Worker, and Out-of-School Youth Service Providers

**Eastern Carolina Workforce Development Board Individual Training Account (ITA) Policy****ELIGIBILITY:**

Training services may be made available to eligible adults, dislocated workers, and out-of-school youth residing in Carteret, Craven, Duplin, Greene, Jones, Lenoir, Onslow, Pamlico and Wayne counties, who have been determined to need training and at a minimum receive either an interview, evaluation, or assessment, and career planning or any other method through which the WIOA service provider can obtain enough information to make an eligibility determination; and it is determined that the individual is in need of training.

Once the individual has been determined in need of training services to obtain or retain employment leading to self-sufficiency or wages comparable to or higher than wages from previous employment; and the ability to participate successfully in training services, the WIOA service provider will provide information regarding the availability of training. Individual Training Accounts will be discussed with the individual specifying his/her responsibility regarding the ITA. In consultation with the WIOA service provider, the participant will review the statewide list of eligible training providers to determine available training options. The training provider's requirements for enrollment, performance outcomes, and cost for the training course selected will be discussed with the participant. It will be the participant's responsibility to identify and select a training provider from the State list of eligible providers that offer training approved by the Local Board.

The case file must contain a determination of need for training services as determined through the interview, evaluation, or assessment, and career planning informed by local labor market information and training provider performance information, or through any other career service received.

**THE INDIVIDUAL TRAINING ACCOUNT (ITA):**

Prior to issuing an ITA, service providers must complete a Financial Award Analysis (FAA) for each individual enrolled in curriculum as a means to determine shortage/surplus of resources available. An FAA is not required for "short-term" training classes. All participants enrolled in curriculum must apply for a Federal Pell Grant. Service providers must consider the availability of other sources of grants, excluding loans, to pay for training costs so that WIOA funds are used to supplement but not supplant other sources. Please refer to the Eastern Carolina Workforce Development Board's policy on WIOA Funds and Pell Grant.

Short-term and pre-requisite training courses such as CRC, CPR, Servsafe, etc., that do not lead to a credential, but are required for employment and/or training may use the ITA voucher but should not be charged as an ITA expenditure. These expenditures would be charged as other training.

Individuals will use ITAs (**Attachment B**) for training services provided by training providers on the state approved Eligible Training Provider List that offers training approved in this local area. Training shall be directly linked to occupations that are in demand in the local area or in another area to which an adult, dislocated worker, or out-of-school youth receiving such services is willing to relocate.

The ITA shall cover tuition, fees, books, and supplies. Items that are required to complete training that do not fall under an ITA expense are considered a supportive service and service providers must follow the process outlined in the supportive services policy.

The ITA will be allocated on a semester basis with training to be completed within a two-year period. The individual must meet the training provider's attendance requirements for full-time student status and maintain a minimum 2.0 grade point average on a semester basis in order to be certified for continued funding under the ITA. The service provider must obtain grades/transcript to confirm, case note it and scan into NCWorks Online prior to issuing the next ITA.

ITAs cannot be issued for remedial classes or repeat classes.

The ITA and all supporting documents (registration, receipts, etc.) should be uploaded into NCWorks Online.

Exceptions to the completion of training within a two-year period, full-time student status, or paying for remedial classes may be taken into consideration on a case-by-case basis. All exceptions must be approved by the Local Area prior to paying for the expenditure.

**ITA LIMITS:**

In an effort to maximize the funds available for adult, dislocated worker, and out-of-school youth occupational skills training activities, limits will be placed on the amount and duration of the ITAs. Limitations established by the Local Board will not be implemented in a manner that undermines the Act's requirement that training services be provided in a manner that maximizes customer choice in the selection of an eligible training provider.

To maximize training opportunities for as many eligible individuals as possible, the maximum ITA amount shall be consistent with the curriculum course rates offered through the North Carolina funded Colleges and/or Universities, not to exceed \$4,000 per year. The maximum amount in ITAs for a two-year training program is \$8,000. The maximum ITA limit is not an entitlement. The amount and duration of each participant's ITA award is determined on an individual basis.

In cases where the individual opts to purchase training services from an eligible training provider where the costs exceed the approved amount, the individual will be required to pay the additional costs associated with that training.

**VOUCHER CONTROL LOG:**

After the ITA is established, the WIOA service provider will write the control number, name of training provider, WIOA customer/participant name, last 4 digits of the social security number or school ID number, date voucher issued, approved amount, date voucher was redeemed, and amount redeemed for on a voucher control log (**Attachment C**).

Payments from ITAs will be made to the approved training institutions by the authorized WIOA service provider. Payment of training costs by WIOA will be coordinated with any payment of training costs by other grant assistance. The WIOA service provider will be required to abide by contractual requirements, as well as federal, state, and local policies and procedures.

The WIOA service provider will be required to track expenditures of resources by individuals to ensure that individual accounts are not over awarded through WIOA Title I funds for the ITA. Only training providers that are on the state Eligible Training Provider List will be reimbursed under the ITA training vouchers.

**TRAINING REQUIRING TOOLS AND SUPPLIES:**

Training requiring a significant investment in tools and supplies in excess of five hundred dollars (\$500) will require three (3) quotes unless the training provider has identified a preferred vendor for the purchase of such tools. WIOA service providers will adhere to the Local Area's supportive service policy for these purchases.

**TRAINING THAT LEADS TO SELF-EMPLOYMENT:**

All participants enrolled in Cosmetology, Barber or Esthetic Technology would be considered enrolled in training that leads to self-employment. All career advisors that have participants enrolled in training that leads to self-employment must complete follow-up for the four (4) quarters following exit and secure supplemental data to verify employment and earnings. Below is a chart that shows documents that can be used to verify employment and earnings.

The above-named individual has been determined eligible and is being referred for training services. If applicable, WIOA and the training provider will ensure that the eligible participants apply for federal grants (including PELL Grant) and also assure that double-billing for identical training services does not occur for those recipients who receive federal financial aid. The Training Provider will receive a written notice of deobligation if the student's status changes. However, in no case shall the voucher be redeemable beyond June 30<sup>th</sup> of the year authorized.

**TO REDEEM:** The training provider must return this voucher along with sufficient documentation to support the amount of money being requested for services rendered to the Workforce Innovation and Opportunity Act customer.
